

WVU Operating Procedures for Emergencies Involving Students

I. OBJECTIVES

To help those involved by responding in the most humane and compassionate manner possible.

To support that part of the academic community directly affected by the emergency.

II. PROCEDURES

When a serious accident, injury, or death to a student occurs, the first University representative to be called by the professional who has responded to the emergency (i.e., Director of Residential Education, WVU Hospital personnel, University Police Department officer, etc.) should be:

Kimberly Mosby

Sr. Associate Dean of Campus and Community Life
Office: (304) 293-5611
Home: (304) 296-3129
Cell: (304) 216-8227

If unavailable, please call:

Dr. Thomas Sloane

Student Life
Office: (304) 293-5611
Home: (304) 296-3560
Cell: (304) 276-1661

In case of death or serious injury involving University student staff/faculty (i.e. work-studies and graduate students while at work), the WVU Hospital personnel, University Police Department officer, or other agency handling the emergency are advised to call immediately:

Jim Morris

Asst. Vice-President, Human Resources
Office: (304) 293-7161
Cell: (304) 276-0729

and

John Principe

Director, Environmental Health & Safety
Office: (304) 293-3792
Cell: (304) 680-1262

If unavailable, please call:
Kim Mosby (see phone numbers above).

It is expected that the initial call to the next of kin will be made by the agency involved, i.e., at the hospital the attending physician will call, or the police will contact the police in the home city, who will call personally at the home. In any case, after Kim Mosby is assured that the family has been notified, she will call to offer the support and help of the University.

Kim Mosby will notify Vice-President Schafer, Student Life, and Mr. Corey Farris, Dean of Students. Vice-President Schafer will be responsible for notifying the President. If Vice-President Schafer and Mr. Farris are unavailable, Kim Mosby will make the decision as to whether the President should be called and when to do so.

If the student is a resident in University-owned housing and the incident occurred elsewhere, between the initial call from the hospital, police, etc., and the follow-up call to the student's family, Kim Mosby will call:

Trish Cendana

Director of Residential Education
Office: (304) 293-4686
Home: (304) 594-1356
Cell: (304) 376-4306

If the accident or death occurred in University-owned or leased housing or residence halls, Director Cendana will inform

Vice-President Schafer and Kim Mosby.

If the student resides elsewhere, an attempt will be made to contact roommates, landlord, or the appropriate person to:

- Inform them of the situation
- Help them deal with it
- Gain information about the student's background

If warranted by the seriousness of the accident or emergency, someone representing the University (i.e., Kim Mosby, Mr. Farris, Carruth Counseling Center Staff), will go to the residence to meet with the appropriate friends.

If a situation occurs involving the safety or security of University property, calls to other University officials may be warranted. Kim Mosby will work with the University Police Department officers to assure that these calls are made properly.

Either Kim Mosby or a specific designee will continue to be in touch with the family in the days following.

In cases of the death or serious and incapacitating injury of a student, the Office of the Registrar, Advising, Financial Aid, Assistant Vice-President of WellWVU, and the chairperson of the department and/or the dean of the college wherein the student is studying will be notified by someone from the Office of Campus and Community Life on the following school day. Withdrawal forms, if necessary, will be completed and the student's copy will

remain on file in that office.
Refunds will be processed by
the Office of Student Accounts.
