If you are a student entering one of the following programs, you will be required to participate in the WVU Health Sciences Student Computer Program. Click on the links below to learn more about your program.

[Doctor of Dental Surgery \(DDS\)](#)

[Bachelor of Science Dental Hygiene](#)

[Medical Degree Program \(MD\)](#)

[Occupational Therapy](#)

[Pathologists' Assistant Program](#)

[Physical Therapy](#)

[Nursing, BSN Program](#)

[Nursing, BS/BA to BSN Program](#)

[Doctor of Pharmacy \(PharmD\)](#)

ABOUT THE PROGRAM

The WVU Health Sciences Student Computer Program provides standardized machines as an integral part of the curriculum. This computer package provides a portal for online education, electronic library access, software, Wi-Fi, off-site access, on-campus printing, warranty and insurance coverage and FREE on-site technical support from the HSC Help Desk.

Students who have NOT been admitted into a Health Sciences program may want to use an existing computer and/or WVU computer labs until they enter the Computer Program. You cannot purchase the required computer until you are officially admitted. Once admitted, you'll receive further information from your program coordinator.

You will be billed once you receive your computer, and you must pay a one-time fee in full. This fee will be a separate line item on your student account, in addition to tuition and fees. The cost of this required program is a recognized educational requirement for all students in the program, and it is included in financial aid calculations. Once payment has been received, ownership of the computer will transfer from the Health Sciences Center to you.

Note: Direct-Admit Nursing, Pre-Nursing, Direct-Admit Dental Hygiene, Direct-Admit Pharmacy and Pre-Pharmacy students don't participate in the Computer Program until enrolled in their first semester of HSC courses. **Visit your school's website for information on your enrollment year.**

Physical Therapy and Occupational Therapy students will receive computers in June, but fees won't be collected until the fall semester.
