

West Virginia University
Department of Dental Hygiene Uniform Policy Addendum
to the School of Dentistry Policy on Professional Appearance and Attire
August 7, 2018

The following policy applies to all sophomore, junior, and senior students currently enrolled in the Dental Hygiene Program. This policy is in addition to the WVU School of Dentistry Policy on Professional Appearance and Attire.

Sophomore, Junior and Senior Dental Hygiene students are required to purchase and wear the official department uniform each day when attending all learning experiences at the Health Sciences Center which includes late or evening laboratories and clinics as well as normal working hours between 8:00am to 5:00pm.

These uniforms will be freshly laundered and wrinkle-free. The pant legs must be permanently hemmed for they cannot drag on the floor. Uniforms must fit properly (not too tight or loose); therefore if/when body size for shape changes, new uniforms must be purchased.

Black shoes must be clean with closed toes and a solid upper surface accompanied by clean, black socks sufficient length to cover exposed ankles. Shoes must be changed before leaving or upon arrival at the Health Science Center.

The number of official uniforms purchased must allow the student to have a clean uniform each day for class. The uniforms must be in good repair and must be replaced when the color fades or is tattered.

The Landau uniforms approved for the Dental Hygiene Program:
