

ABOUT THE EVENT

For more than 20 years, the West Virginia University School of Dentistry has been proud to host The Frank Stevens Annual Golf Spectacular.

This event was created to honor our dear friend and former faculty member Dr. Frank Stevens, his dedication to WVU and the School of Dentistry by raising funds for the Dr. Frank Stevens Student Scholarship Endowment.

Dr. Frank Stevens

The Dr. Frank Stevens Student Scholarship Endowment was established in the 1990's and was able to provide its first scholarship in 2004. Since then, we have awarded nearly \$40,000 in partial scholarships to deserving dental students.

We look forward to welcoming you for our 22nd annual golf tournament on June 1, 2018, to honor Dr. Stevens and provide for the future of dentistry in West Virginia.
